

The Sedona Marathon Announces Media Host Hotel and Racer Packet Pick-up Location

The Sedona Marathon event that arrives Feb. 11, 2006 – consisting of a marathon, half-marathon and a 5K fun run/walk - proudly announces the event Media Host Hotel as Amara Creekside Resort and the location for pre-race registration packet pick-up at Tlaquepaque Art & Crafts Village.

The Amara Creekside Resort promises to be a haven of tranquility centrally located in uptown during the mad rush of The Sedona Marathon Event weekend. And Tlaquepaque will serve as the pre-race packet pickup point, allowing racers at the same time to sample “the most distinctive shopping experience to be found in the southwest,” as they wander through the Mexican-themed village with cobblestone streets and fountain filled patios.

The Sedona Chamber of Commerce, a Sedona Marathon Gold Medal Event Sponsor, will serve as a key information source for participants through its top quality area tourism website www.visitsedona.com.

Sedona-based Four Winds Adventures, a leading event production company of extreme adventure races in the U.S. since the 90's, owns the Sedona Marathon and plans to make it an annual winter feature of the region.
